COURSEWORK

UNDERGRADUATE

Intro to Prog in C
 Data Structures
 Discrete Mathematics
 Computer Graphics
 Applied Mathematics

MOOCs

STANFORD:

Computer Science 101 by Nick Parlante

UDACITY:

Android Basics by Google

COURSERA:

How Google does Machine Learning by Google Cloud

UDEMY:

Linux Basic Commands by Ahmed Alkabary

SKILLS

PROGRAMMING

- C • C++ • Python • MATLAB
- GNU Octave • Shell Scripting
- JavaScript • Android • \LaTeX
- UI mockups using Figma
- Gravit Designer

EXPERIENCE

DELHI DESIGN INNOVATION BOOT CAMP(DDIBC) | STUDENT

Sept' 18- Present | New Delhi, IN

- The "Delhi Design Innovation Boot Camp" is a joint initiative by the Design Innovation Centres* of IIT, Delhi, University of Delhi and School of Planning and Architecture, New Delhi to promote design thinking and innovation across domains.
 The Design Innovation Centre (DIC), is a 'National Initiative of Design Innovation' by the Department of Higher Education, Ministry of Human Resource Development, Government of India.
- Working on redesigning bus shelters to improve information availability and creating an user-friendly application to provide users with real-time information regarding bus routes, timings and much more by which we aim to enhance user-experience for Delhi's local bus commuters.

TEDxMAIT | ASSOCIATE

Nov'17 – Mar'18 | New Delhi, IN

- Worked as an Associate in TEDxMAIT, an independently organised TED-style event, where people from different walks of life share their ideas.
- My responsibilities included working with event planning, logistics team, decor team, and coordinating the event

PROJECTS

MerryGo | AUGUST'18

- MerryGo, an award winning entry at Design 360, IIIT Delhi.
- Designed a concept for Delhi Metro Rail Corporation(DMRC) mobile application that helps commuters by providing them real-time online support with a focus on UX after analysing the problem faced by users in the pre-existing app.

ACHIEVEMENTS

- Runner up, Design 360 | August 2018, IIIT Delhi's bi-annual design hackathon.
- Recipient Google Challenge India Scholarship 2018.
